

Hello, again:

I want to personally express my profound appreciation to you for your diligence and your unselfishness in laboring to erect the Pavilion and for the many other forms of giving exhibited by you for our Veterans at the Vets Center in Cowansville.

From the formulation of design to the completion of construction, I have come to know you and the generousness and humbleness of your character.

I am grateful and blessed to have known you.

Mr. Hopeton Thompson, Director of the Center, wishes to attend the Tuesday, September 2nd meeting of HESP and would like you to be present so that he may express his personal thanks for this most appreciated project.

Please mark your calendar for this event. I will e-mail details on August 2nd and a reminder will be sent one week before the meeting.

I look forward to seeing you there.

Your friend,

Bev
